

April 28, 1971 - Eded.

Dear Vicki and Jim,

It was nice hearing from you today. The package I mailed to you must be lost because it was mailed the 12th of April from Walla Walla. I insured it but unfortunately I can't find the slip. If it doesn't arrive in a few days I will send another package.

I hope you get to go to the symposium next month. It would be very interesting and being able to drive to the ocean sounds wonderful. If you rent a car I suppose it will be air conditioned. The car we had in Walla Walla was and we really liked it.

The trip to Florida is fun to think about isn't it. We were in Jacksonville, Fla. but not any farther. That is when Dad crashed in the Okefenokee Swamp.

Mary and Mike expect to be there in Olympia May 10th. Then they will be busy looking for and

Moving into an apartment.

I played bridge today and won. Dad and I are going to play tonight.

I had a letter from one of the prisoners today. He said he missed me. He won't be getting out for two years.

Next Monday I am going to baby-sit for Jennie so she can go to her bowling luncheon.

Don't work too hard on your yard if you don't like your landlord. He is lucky you cut the grass.

Our weather isn't too nice yet but it should change soon. The trees and scrubby are beautiful.

Gill has quite a family. He has a 2½ yr old, a 1 year old and a three week old baby.

We have to leave soon for bridge so good-bye for now.

Love,  
Mom.
